

ARR GLOBAL

EXPORT & IMPORT PVT. LTD.

Textiles & Apparel

Technical specification sheet

Organic cotton, home textiles, fabricated garments, men's, women's and kids' ready-made garments, and raw yarn.

Products

Product	HSN (indicative)	Grades / forms
Organic cotton	5201	Raw cotton fibre, certified organic on request
Home textiles	6302 / 6303	Bed, bath, kitchen linen and curtains
Fabricated garments	Chapters 61–62	Made to buyer designs and size sets
Men's ready-made garments	6203 / 6205	Shirts, trousers and suits
Women's garments	6204 / 6206	Dresses, tops, ethnic and western wear
Kids wear	Chapters 61–62	Babies' and children's garments
Raw yarn	5205	Cotton yarn in standard counts

Quality parameters tested

Fibre content and GSM · Colour fastness · Shrinkage and dimensional stability · Seam strength · Measurement and AQL inspection

Exact values for each parameter are fixed in the sales contract and confirmed by batch test reports before loading. Independent inspection (SGS, Intertek) available.

Packaging

- Pressed and strapped bales for cotton
- Cones in cartons for yarn
- Polybagged, size-ratio packed garments in export cartons
- Private labels, hang tags and barcodes to your specification

Documents supplied

Commercial invoice, packing list, certificate of origin, bill of lading or airway bill, test reports, and product-specific certificates (phytosanitary, health, fumigation) where required.
